

Entertaining the World

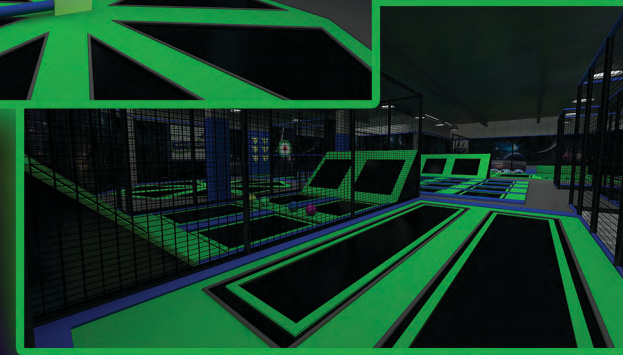

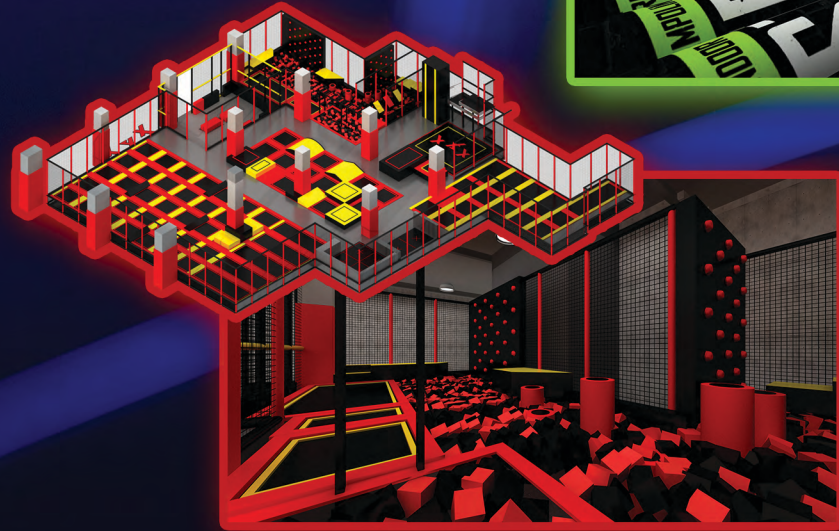

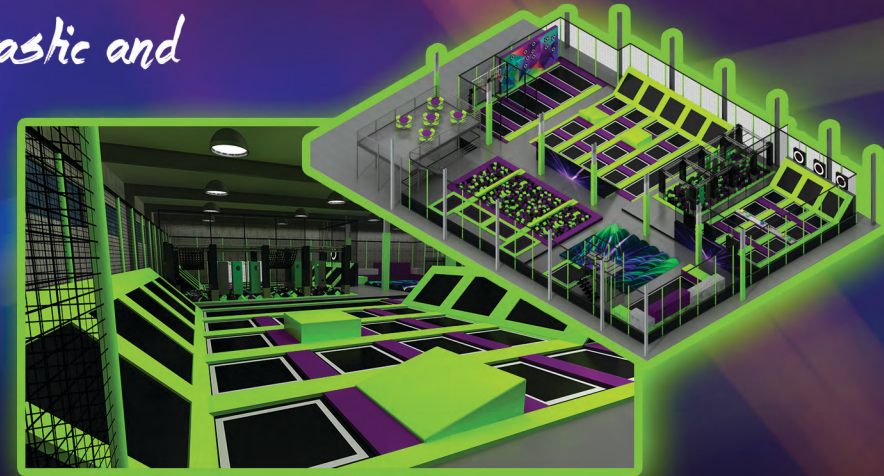

with Trampoline Parks

Play Mart is the brand you can trust with designs (according to European norms), high quality and safe products, constant innovation and continued add-ons to get repeat customers.

Transform your location into a fantastic and breathtaking world

One of the fastest growing indoor entertainment activities are trampoline parks with quick ROI.

Here are some of our renderings that show many different activities and designs made to fit in even difficult buildings.

Always ask the experts before investing in a new business.
