ENTERTAINING THE WORLD

PRODUCT CATALOGUE

ABOUT US

Play Mart International is one of the most recognized brands for Family Entertainment Centers, indoor playgrounds and trampoline parks in Europe. We have more than 20 years of experience in design, manufacturing, installation and maintenance of soft play structures.

Play Mart's main responsibility is to allow children and their families to have fun in a safe environment. Our product range is constantly growing, allowing us to meet all customer requests and making the most of the available space.

Play Mart International is part of the iPlayCo Group of Companies, a leading manufacturer of safe, fun play structures enjoyed by children, teenagers and adults having over 4000 installations in 85 countries.

With our own factories in North America, Europe and Asia, we are always close to our clients.

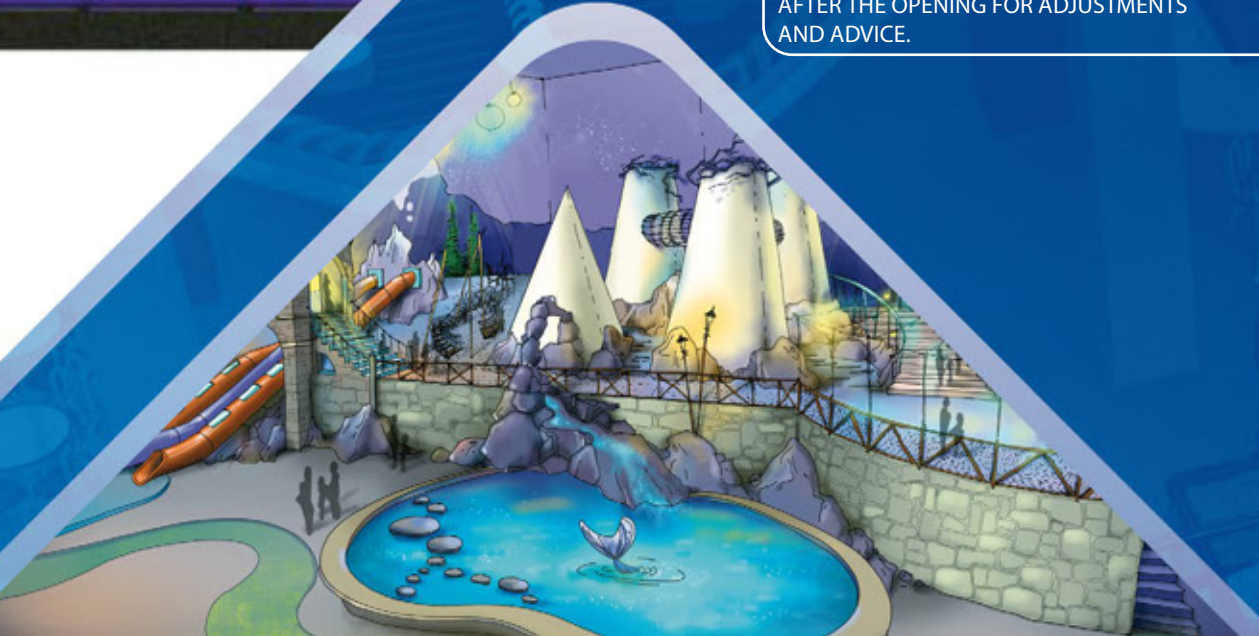

OUR SERVICES

Our expert Design Department will transform your idea and imagination into a layout, which once finalized our factory will give form to.

Then our experienced and qualified installers will make your dream come true.

Our experienced team will help you complete your play center up to opening day. You can count on us for the management of all preliminary, strategic and organizational phases of your project. We will make the necessary analysis and verifications in order to not only achieve but exceed your expectations.

WE SUPPORT OUR CUSTOMERS BEFORE THE SALE, DURING THE CONTRACT PERIOD AND AFTER THE OPENING FOR ADJUSTMENTS AND ADVICE.

ADVENTURE PLAY

TRAMPOLINE PARK

Play Mart Trampoline Cable Deflection System was developed by a leader in the commercial trampoline industry. The cable deflection dramatically reduces unnecessary impact to users while giving the best bounce of any commercial trampoline, providing an experience much more enjoyable than rigid frame trampolines found in most trampoline parks. It is durable, low maintenance, cost effective, and comes powdercoated in the color of your choice at no additional charge.

- Height required: 6 m
- Recommended size: minimum 250 sqm (best seller 2000 sqm)
- More than 20 * unique events

WE CAN ADD INTERACTIVE LIGHTS OR OTHER EXCITING FEATURES TO THE TRAMPOLINE TO MAKE THE USER EXPERIENCE EVEN BETTER.

RECOMMENDED AGES:

4 YEARS AND UP

CABLE DEFLECTION SYSTEM – ADVANTAGES

- The top level cable is flexing while supported by the lower structure and secondary bed
- More secure due to a secondary safety bed below
- Pads on top of the bed are flexing and flowing
- Reduces impact transferred to hips and joints
- Lower maintenance costs

*UNIQUE EVENTS :

MAIN AREA WITH OBSTACLES	TUMBLING LANE	FOAM PYRAMID
CUBE BOXES	DODGEBALL AREA	NINJA COURSE
RAMP JUMP	DUNK AREA	VALO JUMP
JUMP	RELAX ZONE	CARROUSEL

- Custom heights are available upon request
- Capacity per wall from 1 to 4 players

RECOMMENDED AGES:

7 YEARS AND UP

ADVENTURE PLAY

INTERACTIVE TAG ARENAS

TAG ACTIVE is a fun, strategic and fast-paced challenge. The physical interactive game is played within an arena, consisting of a variety of events, challenges and obstacles. Players can take these on in any order they prefer. Each event has a hidden coloured lightbox, called a transponder. The colour represents a different points value, and players aim to collect points by reaching as many of these transponders as they can, to top the leaderboard. The harder the challenge, the more points are available from the transponder at the end of it.

A GREAT FIT FOR:

TRAMPOLINE PARKS
ADVENTURE ZONES
CLIMBING CENTERS

SPORT CENTERS
TRAINING AREAS

TAG INTERACTIVE ARENA

- Height required: from 5.5 to 10 m

FREQUENTLY ASKED QUESTIONS

IS PLAY MART INTERNATIONAL A MANUFACTURER?

Yes, we produce our products at our plant in Sofia, Bulgaria. Play Mart is a part of the iPlayCo Group of Companies and the group has two other factories, one in Canada and one in the Philippines.

WHAT IS THE PRICE PER SQ.M.?

There are no fixed prices per sq.m. All attractions Play Mart manufactures are custom designed products and the price can change depending on the final design of the attraction.

WHY CHOOSE PLAY MART?

Our group has more than 20 years experience in the soft play industry. We work close with our clients to design the soft play attraction of their dreams, where the safety of the users is our top priority. We understand that safety is the inseparable part of the quality of the materials and this is the reason why we only use durable, reliable components in our installations.

WHAT NORMS OR CERTIFICATION DOES PLAY MART WORK WITH?

Play Mart, as a part of the European division of the iPlayCo Group, works in accordance to the two European Norms: EN1176 - Equipment for playgrounds and surfaces (Part 1: General safety requirements and test methods and Part 10: Additional specific safety requirements and test methods for fully enclosed play equipment) and EN1177 - Shock absorbing surfaces for the critical definition of fall heights.

We provide all certification needed for these norms and are present for on-site certification required in various countries.
